On August 30, 2005, the undersigned attorney for the Applicants contacted Examiner Matthews regarding a typographical error in the Response to Restriction/Election Requirement which was mailed on August 29, 2005, but not yet received at the time of the Interview. The undersigned attorney for the Applicants

stated that in the Response, election of Group I was made but discussion of the elected claims is drawn to Group II claims. Therefore, Group II is the correct election. Agreement was reached whereby the Examiner will provide an action on the merits related to Group II.

Respectfully submitted,

A handwritten signature in black ink, appearing to read 'Samuel E. Shehadeh', written over a horizontal line.
